

Record a video of yourself that would be an example of a marketing video we will use after you are hired, please allow for no more than 2 minutes comprised of :

1. Who you are and what your ideal client is, what they may be struggling with and why? (15-30 seconds)
2. What training and skills you offer that ideal client? (15-30 seconds)
3. How you can offer hope to your ideal client in therapy? (15-30 seconds)
4. A call to action of reaching out, picking up the phone, visiting kaizencenter.org and scheduling an appointment with you.

Thanks and good luck!
